

ARE YOU AN ACP MEMBER INTERESTED IN HOSPITAL MEDICINE? DO YOU CURRENTLY PRACTICE AS A HOSPITALIST?

If so, consider joining the Missouri ACP Hospitalist Committee and attend our next meeting. We are looking for you, and are excited to help you expand your career in hospital medicine.

The Hospitalist Committee works to foster relationships between Missouri hospitalists, advocate for high value care of hospitalized patients and advance the field of hospital medicine.

Working with the Committee, you will have opportunities to network with other hospitalists, and participate in one of our several programs listed below. Best of all, joining the Committee as an ACP member is free.

Benefits and activities include:

- Build your area of professional accomplishment towards ACP Fellowship
- Participate in our Mentorship Program (as mentor or mentee)
- Network with other hospitalist by assisting in social media development, design, and outreach programs
- Participate in our annual ACP Meeting as a Hospitalist Committee member
- Participate in our Early Career Physician Poster competition at the 2020 ACP Missouri Chapter Meeting and receive free registration!
- Many More!

We are interested to hear from you and hope to see you at the next meeting. Please reach out to Sarah Luebbert, Missouri ACP Executive Director, for more details by emailing acpmissouri@gmail.com.
