

MO ACP Student Newsletter - Issue 2

Advocacy for patients and peers, access to resources

Community, collegiality, connectedness, conscious of IM, connection, care providers

Peer support, processes, programs, practice, purveyors, and guardians of our patients' health

MO ACP is going to Margaritaville!

Student Session – Please join us for the MO ACP student session on Sept. 9 from 8:30-11:00 AM at the Margaritaville Lake Resort in Osage Beach. At this session you will be able to meet AND interview all the current Program Directors from Missouri Residency Programs. You can ask directly any questions you may be pondering about applications, personal statements, what a Program Director is looking for, etc. We are also organizing a panel of IM physicians from various areas of IM. **THIS IS A GREAT OPPORTUNITY!** You can register online for the event (it's free for student members) by [clicking here](#). If you will only be attending for the student events, please sign up for Saturday only.

Poster Competition – The poster competition will take place on the afternoon of Saturday, Sept. 9. We invite you to join us in the poster hall to see what your fellow students and residents are showcasing. Great clinical vignettes, QI projects and research posters.

Doctor's Dilemma – Stay after the Poster Competition for our super fun Doctor's Dilemma game where you can whisper your brilliance to friends while you watch MU, UMKC, Wash U, SLU, Mercy, SSM and St. Luke's battle it out on the stage.

Missouri politicians made a rare bipartisan stand for moms at risk of pregnancy-related death.

In May 2023, Missouri joined 32 states in expanding Medicaid for one year postpartum. An estimated 4,500 Missourians will now gain access to the coverage.

The MO ACP Health and Public Policy Committee and Advocacy Day attendees talked to our politicians in Jefferson City during the 2023 MO ACP Advocacy Day about this important topic – **YOU CAN MAKE A DIFFERENCE! Students are welcome to join us for Advocacy Day on Feb 28, 2024. SAVE THE DATE!**

ACP Benefits

How do you best learn?

If you enjoy listening to Podcasts have you checked out those from ACP? ACP offers podcasts that cover a wide range of relevant IM topics including:

- Annals Latest Highlights
- Annals on Call
- Beside Rounds
- Core IM
- The DEI shift

[You can find them all here, so log on to listen and learn.](#)

ACP Resources – DynaMedex™!

Your attending asked you to look up the new definitions of pneumonia!!! How do you find the answer? You use DynaMedex!

ACP members have FREE access to DynaMedex™. [Find out more here.](#)
