

Missouri ACP Virtual Exhibit Hall

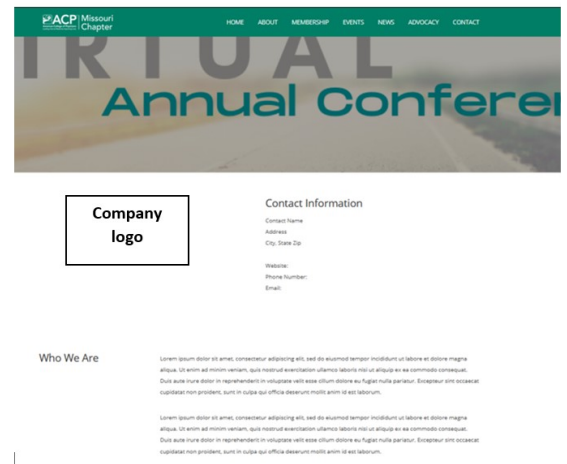

The Missouri ACP has made the tough decision to transition our conference to a virtual event, and this includes our exhibit hall. We are working to finalize details of the event, but want to provide you this opportunity in advance. Pricing and details are below. The exhibit hall will be available to all MO ACP members and will be available through our website, www.missouriacp.org, through March 2021.

Virtual Exhibit Booth Cost: \$500 (A booth is a webpage)

As an exhibitor you will receive a single web page that serves as a “booth.” The webpage consists of your company logo, company/representative contact information, and a description of your company with up to 150 words. You can include links to your company website within the description. See example to the right.

Your “booth” also includes:

- Company logo on main exhibit hall page
- Promotion of the exhibit hall to the entire ACP membership via email
- Exhibit hall will be visible to all ACP members
- List of conference attendees
- **Don't forget, the exhibit hall can be viewed on our website until March 2021!**

Don't miss this opportunity to connect with an audience of physicians!

Complete your exhibitor application and submit payment to:
